

Cancelling Days

If you wish to cancel a day, it's really easy – click on the day and mark as 'Absent' – it's that easy! Please bear in mind that if you try to cancel a day booked **less than 7 days** prior this is in our non-refundable time and that day booked will still be charged.

Once you have marked your child/ren as absent, you must also cancel via email to **Vacation.Care@dardanup.wa.gov.au**

Have more than one child to book in? You will need to follow the steps above for each child you wish to book into care, this also allows you to book different days for multiple children.
