

Paying Account via 'Pay Now' Option

From the finance screen you can tap the "Pay Now" menu button, which will navigate you to the Account Summary screen and automatically display the Pay Now popover. In this popover, you can choose an amount to pay.

Once you have entered an amount and tapped the send button, you will be taken to the payment portal. The steps are outlined below:

1. Enter your card payment details into the secure form and confirm the amount is correct.
2. Review your payment details.
3. Submit your payment.
4. All done!

Note: Once a payment is submitted, it will show in the Pending section of your Account Summary and may take up to 30 minutes to be confirmed.
